

Dear Reader,

I am a **Traveling Book!** Once you finished reading me, please help me continue my adventure: pass me on to someone who will read me in turn before passing me along. Feel free to add a note below as a memory of this stage of the journey in your company.

Thanks!

PS: More about the traveling book at <https://nootrix.com/misc/traveling-book/>

Traveling Book reader notes : name, place, date...
